Good Candy, Inc. (“Good Candy,” “we,” “us,” or “our”) respects the intellectual property rights of others and expects visitors to our website located at www.moooshcandy.com (the “Site”) to do the same. In accordance with the Digital Millennium Copyright Act (“DMCA”), 17 U.S.C. § 512, Good Candy has adopted the policy and procedures described below for responding to claims of copyright infringement involving material posted on or made available through the Site.

1. Notice of Copyright Infringement

If you are a copyright owner (or the owner’s authorized representative) and you believe in good faith that any content on or accessible through the Site infringes your copyrighted work, you may submit a written notice of copyright infringement to Good Candy’s designated DMCA agent at the address below.

Designated DMCA Agent:

Good Candy, Inc.

Attn: DMCA Designated Agent

To be effective under the DMCA, your notice of copyright infringement must include the following:

1. A clear description of the copyrighted work that you claim has been infringed. If multiple copyrighted works are covered by a single notice, you may provide a representative list of such works.
2. A description of the material on the Site that you claim is infringing.
3. Information reasonably sufficient to permit us to locate the allegedly infringing material on the Site (please be as specific as possible and, where available, provide the URLs leading directly to the material).
4. Your contact information, including your full name, mailing address, telephone number, and email address.
5. A statement that you have a good-faith belief that the use of the copyrighted material in the manner complained of is not authorized by the copyright owner, its agent, or the law.
6. A statement that the information in the notice is accurate, and, under penalty of perjury, that you are the copyright owner or are authorized to act on the copyright owner’s behalf.
7. Your physical or electronic signature (typing your full legal name is sufficient).

Please be aware that, under 17 U.S.C. § 512(f), you may be liable for damages (including costs and attorneys’ fees) if you knowingly make a material misrepresentation that content or activity on the Site is infringing. We recommend that you consult with legal counsel before submitting a notice of copyright infringement.

2. Action Upon Receipt of a Valid Notice

Upon receipt of a notice that substantially complies with the requirements of the DMCA, Good Candy will take the steps it determines to be appropriate under the circumstances, which may include expeditiously removing or disabling access to the allegedly infringing material. We may forward the notice of copyright infringement (including the information contained in it and the complainant's contact information) to the user who made the material available. If we remove or disable access to any material in response to a valid DMCA notice, we will take reasonable steps to notify the user responsible for the material that the material has been removed or access to it has been disabled.

3. Counter-Notification

If you believe that your material was removed or access to it was disabled by mistake or misidentification, you may file a counter-notification by sending a written counter-notification to Good Candy's designated DMCA agent at the address above. To be effective, your counter-notification must include the following:

1. Your full name, mailing address, telephone number, and email address.
2. Identification of the material that has been removed or to which access has been disabled, and the location at which the material appeared before it was removed or access to it was disabled (please be as specific as possible and, where available, provide the URLs).
3. A statement, under penalty of perjury, that you have a good-faith belief that the material was removed or disabled as a result of mistake or misidentification of the material to be removed or disabled.
4. A statement that you consent to the jurisdiction of the U.S. Federal District Court for the judicial district in which your address is located, or, if your address is outside the United States, the U.S. Federal District Court for the Southern District of Florida, and that you will accept service of process from the person who provided the original notice of copyright infringement, or from an agent of such person.
5. Your physical or electronic signature (typing your full legal name is sufficient).

Upon receipt of a valid counter-notification, we will promptly provide a copy to the person who submitted the original notice of copyright infringement. Unless that person notifies us within ten (10) business days that he or she has filed a legal action seeking a court order to restrain the user from engaging in infringing activity related to the material, we may, in our discretion, restore the removed material or cease disabling access to it within ten (10) to fourteen (14) business days after receipt of the counter-notification.

4. Repeat Infringers

In accordance with the DMCA and other applicable laws, Good Candy has adopted a policy of terminating, in appropriate circumstances and in its sole discretion, the access of users who are determined to be repeat infringers of copyright. Good Candy may also, in its sole discretion, limit access to the Site, remove material, or terminate the access of any user who infringes the intellectual property rights of others, whether or not there is any repeat infringement.

5. Changes to This Policy

Good Candy may update this Copyright Policy from time to time. We will indicate the effective date of any changes by updating the "Last Updated" date above. Your continued use of the Site after any change to this Copyright Policy constitutes your acceptance of the updated policy.
